Discounted Insemination Doses Agreement 2019

Brightstone Ranch is offering discounted insemination doses of semen from Sophisticated Catt and Palo Duro Cat. These high quality insemination level doses are offered at a low price and consequently do not include "rebreed" privileges or traditional "live foal" guarantees. You will use the dose and if your mare(s) come back into season, you must buy another dose. A breeder's certificate will be provided on notification of live foal. Pregnancy status must be provided by October 1st (of the breeding year). Additionally all purchases must be paid for **before shipping or pick up** by either check or credit card.

Sophisticated Catt

\$300 for pick up; \$350 for FedEx Overnight; \$450 for Counter to Counter (same day).

Mares bred to Sophisticated Catt must be DNA tested HERDA N/N.

Palo Duro Cat

\$250 for pick up; \$300 for FedEx Overnight; \$400 Counter to Counter
